Sewer Construction Work

• Fairway Drive south of Ridgecrest Drive

The City of Eureka will be performing emergency Sewer Main Repair work on Fairway Drive, south of Ridgecrest Drive Thursday, March 26th and Friday, March 27th. This work requires traffic control with one-way controlled traffic in the area and will be performed between the hours of 7:00am and 6:00pm, WEATHER PERMITTING.

There will be controlled traffic at this location, and motorists should expect short delays.

The patience and cooperation of motorists, bicyclists and pedestrians in the vicinity of the work zone is greatly appreciated.

The City of Eureka realizes that this disruption is an inconvenience, but repairing and maintaining our sewer collection systems is vital to the health and safety of our residents.
